Vidalia FUMC Missions

We have begun collecting for our annual Christmas project where we help provide Christmas for needy children in our community. You generosity last year helped buy for nearly 100 children, and we know the need will be just as great this year. Would you please consider helping in any of the following ways - 1) give a monetary donation marked "Christmas Missions" to help with shopping for the children, 2) choose to shop for one or more children, or 3) help to wrap gifts. We ask everyone to please pray that these children and their families will receive God's blessings through the gifts, and we pray blessings for you as you help make all of this possible. We will take collections throughout the month of November. If you have any questions or need the information on children you wish to shop for, please contact Gloria O'Neal at 912-293-3442.

Mercy Medical Clinic

We would love to have a pastor or layperson at every clinic to help with prayer needs. Please prayerfully consider our invitation and contact me if you are interested in meeting this need.
